## GROUT – Instructions for use

- 1 Ventilate the room well.
- 2 Wear personal protective equipment. Make sure the product does not come into contact with clothing, eyes or skin!
- 3 Rinse the tiled wall with warm water.
- 4 Apply Domestos Grout Cleaner to the joints between the tiles. The gel adheres to the surface and removes dirt and stains. Leave it to work for 5 mins.
- 5 Clean the affected surface with a sponge until all traces of dirt and stains have disappeared. Use an old brush for hard-to-reach places, such as corners and edges. Scrub gently.
- 6 Rinse thoroughly, also all the way to the bottom and corners, with warm water and let air dry. If necessary, repeat the cleaning process.
