Newly laundered mops might contain residual pathogens or microbial contaminants. Reduce Risk with EasyMop Single-use Microfiber Mops

EasyMop for floors and walls in all patient areas - disinfection that is fast, easy, effective, and responsible.

- Superior cleaning performance
- Reduced risk vs laundered mops being “clean”
- No quat-binding
- Convenience of disposables
- Comparable performance as launderable textiles
- Excellent reach and feel for easier adoption by your EVS department

Concerned about the increase in *Candida Auris* cases? Oxivir® 1 has you covered!

Oxivir® 1 Wipes - Fast, Effective, Responsible and Sustainable, Oxivir Wipes, powered by Accelerated Hydrogen Peroxide® (AHP®) technology improve room turnover time and reduce risk to staff, visitors, and patients, while keeping costs in line. Oxivir wipes are effective against a broad spectrum of pathogens, in one minute or less. Oxivir Wipes have the best possible safety rating and are tough on pathogens, not on people. Oxivir wipes are available in a variety of formats and sizes. Click here for information.

Please note: Diversey's Oxivir 1 has EPA approval for a 1-minute claim on *Candida auris*.
